# O que é o NOZAMA?

O Nozama é uma plataforma web que oferece uma experiência única de compra e venda.

Projetada para conectar compradores exigentes a vendedores empreendedores, nossa plataforma se destaca por sua abordagem centrada no cliente e na comunidade de vendedores.

Seu feedback é muito importante: [www.gamezamacorporation.com/feedback](http://www.gamezamacorporation.com/feedback)

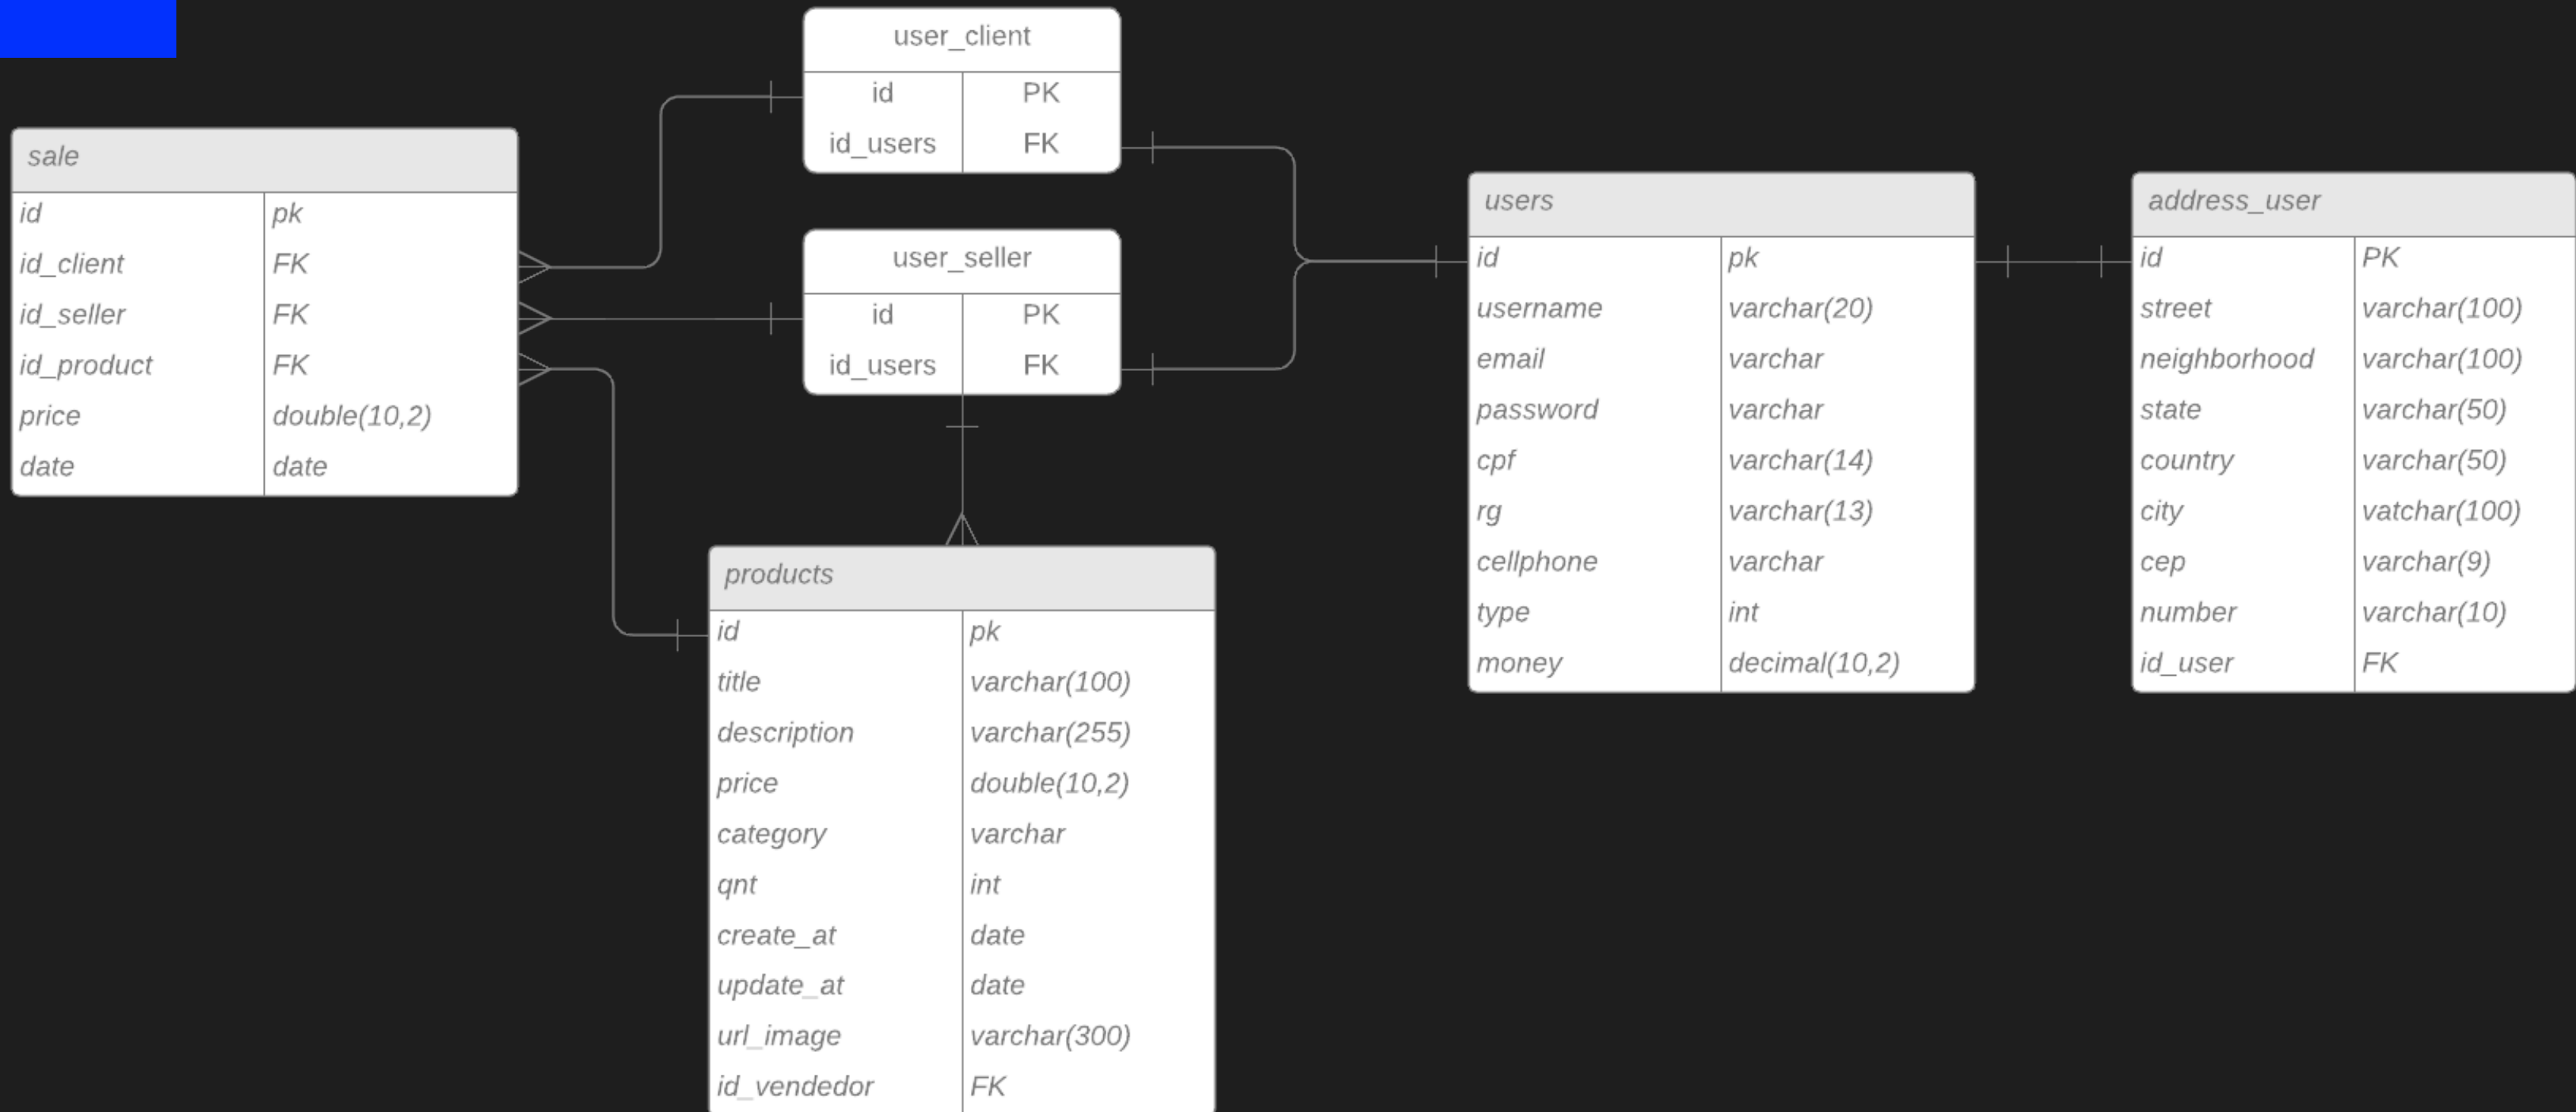

# RECURSOS UTILIZADOS

The image features a dark gray background with a decorative pattern of colored squares in the corners. In the top-left corner, there is a 3x3 grid of squares. The top row consists of three purple squares. The middle row has a black square on the left, a blue square in the center, and a black square on the right. The bottom row has a cyan square on the left, a black square in the center, and a black square on the right. In the bottom-right corner, there is a 3x3 grid of squares. The top row consists of a black square on the left, a black square in the center, and a cyan square on the right. The middle row has a black square on the left, a blue square in the center, and a black square on the right. The bottom row consists of three purple squares.

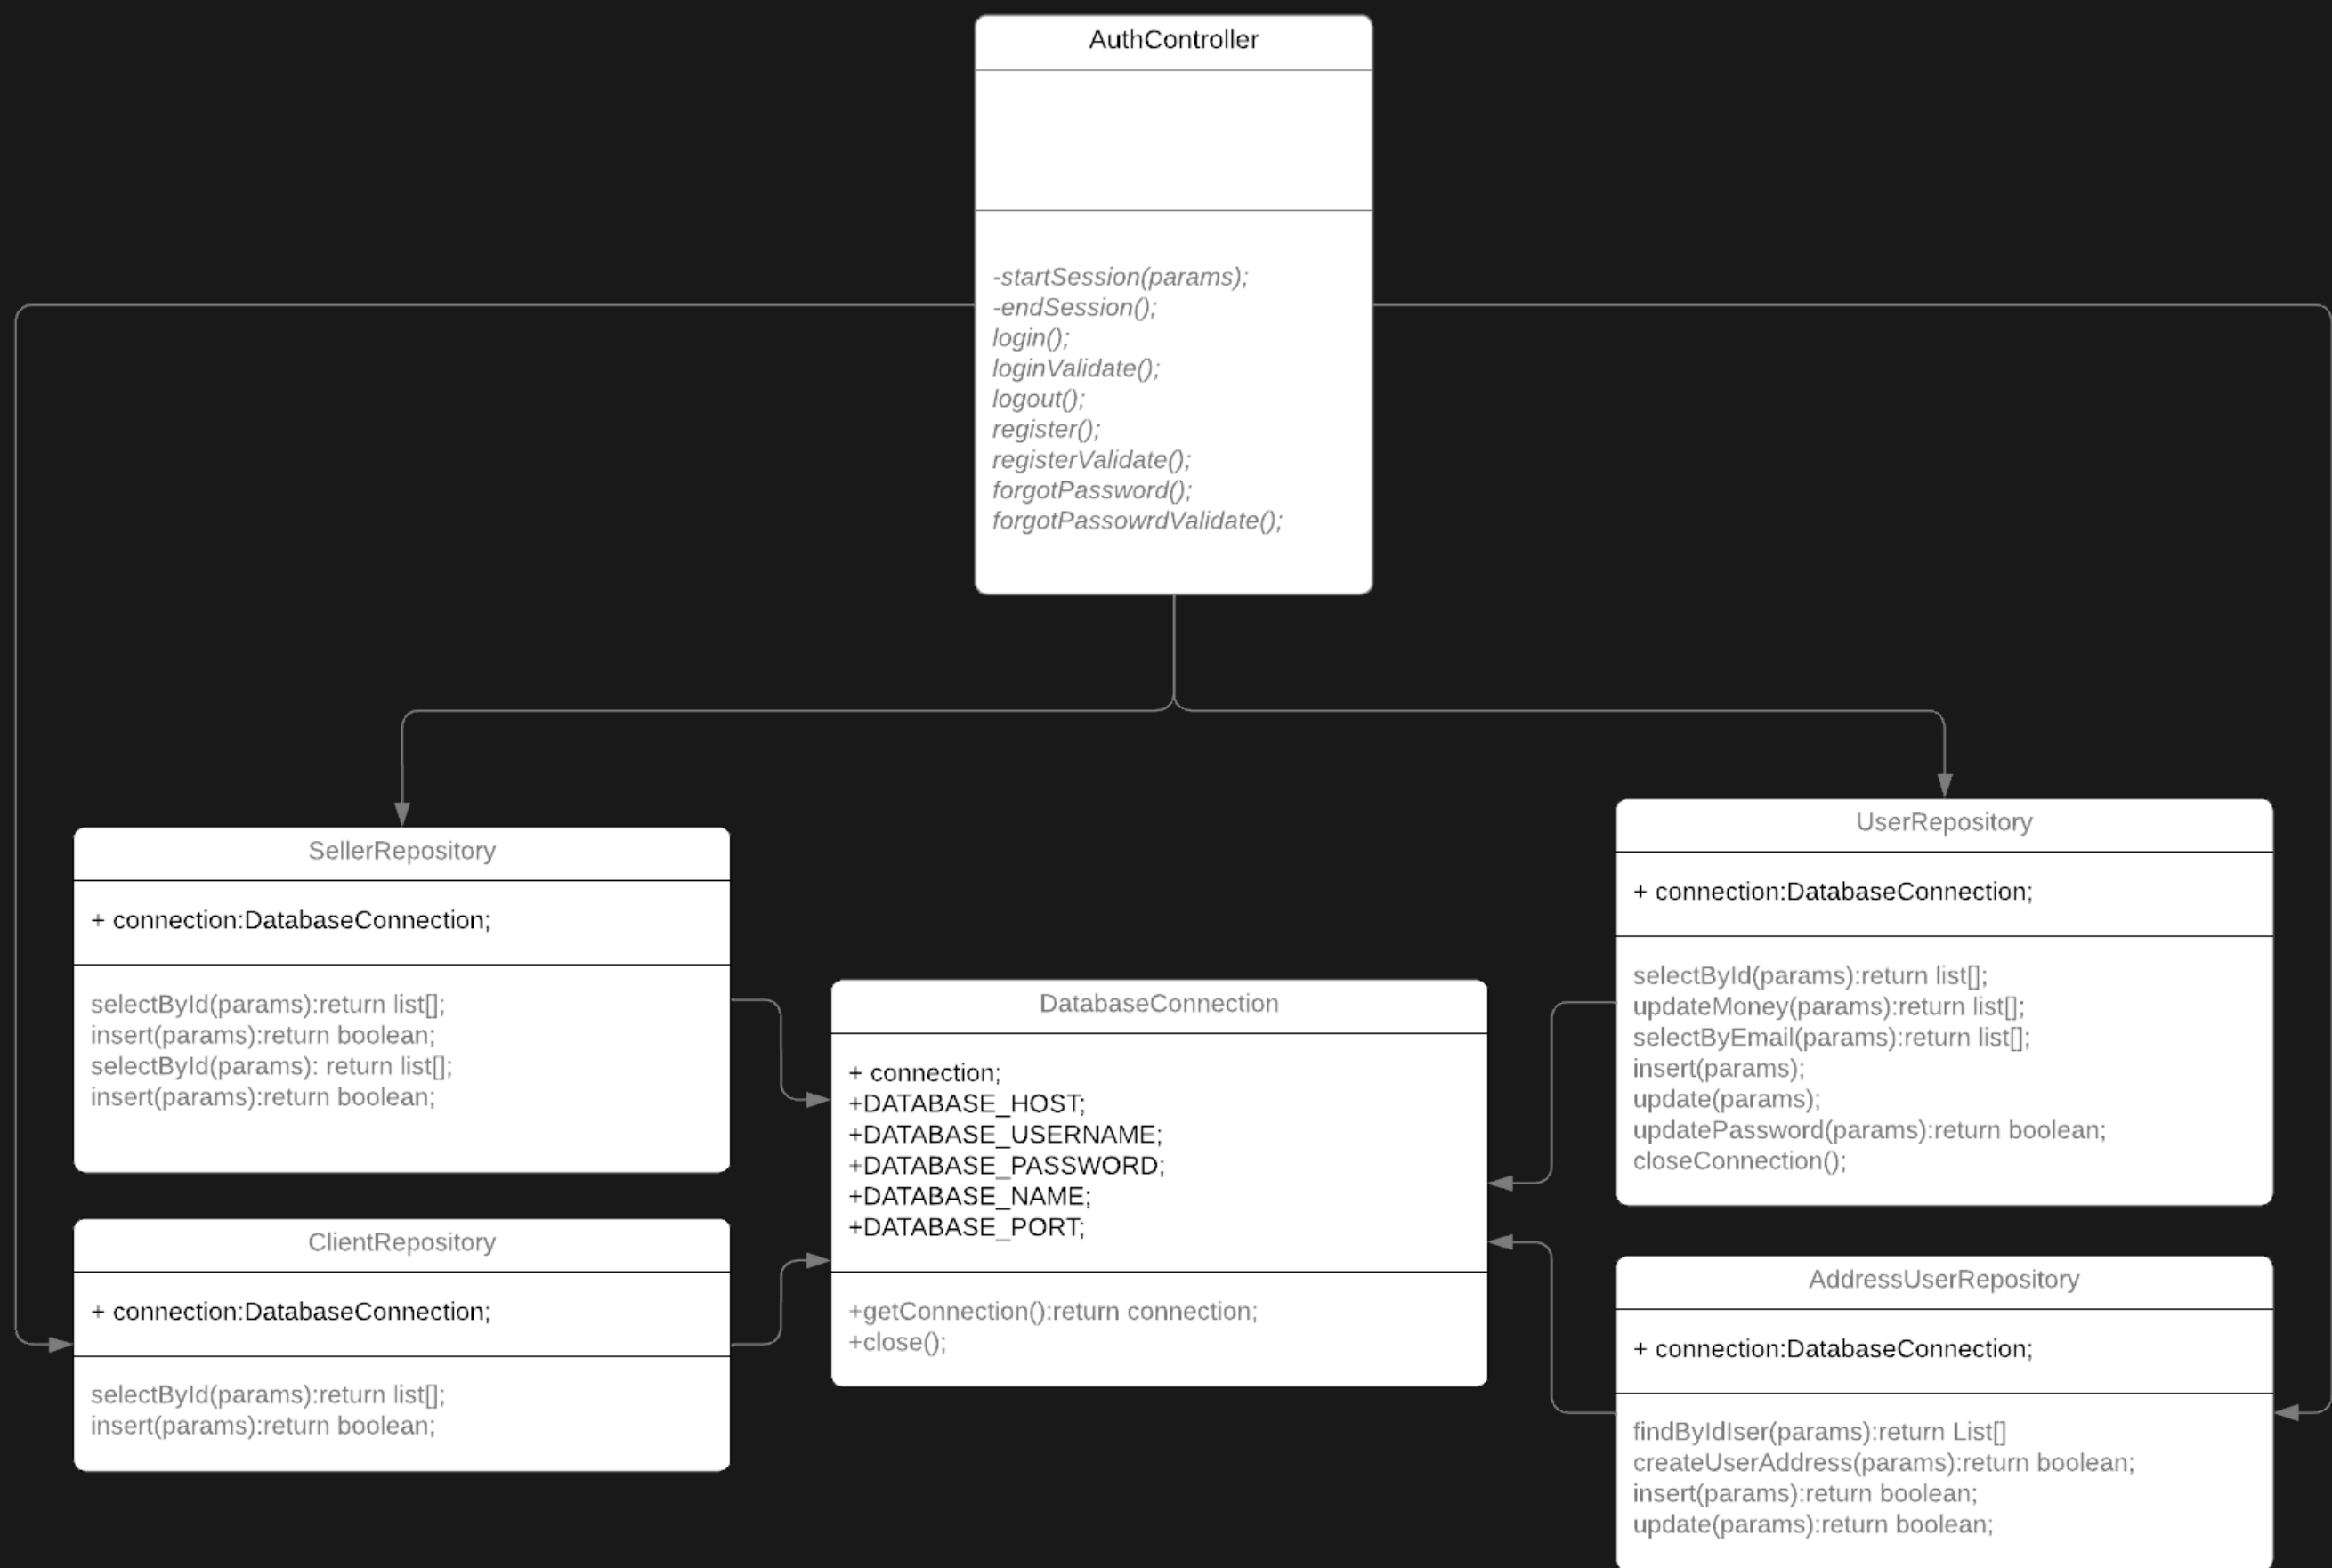

# Modelagem do Banco

The image features a dark gray background with decorative elements in the corners. In the top-left corner, there is a 3x3 grid of squares. The top row consists of three purple squares. The middle row has a black square on the left, a blue square in the center, and a black square on the right. The bottom row has a cyan square on the left, a black square in the center, and a black square on the right. In the bottom-right corner, there is another 3x3 grid of squares. The top row consists of a black square on the left, a black square in the center, and a cyan square on the right. The middle row has a black square on the left, a blue square in the center, and a black square on the right. The bottom row consists of three purple squares.
